

The City of Encinitas would like to invite you to attend a community meeting for

LA COSTA AVENUE CORRIDOR IMPROVEMENTS

This neighborhood meeting will be conducted to solicit community input and discuss alternatives for potential improvements on La Costa Avenue between North Coast Highway and the I-5 with the neighborhood residents.

The City hired a consultant to evaluate different cross section alternatives for La Costa Avenue and different intersection control options at the intersections of Vulcan Avenue and Sheridan Avenue with La Costa Avenue. Scenarios including a two-way left turn lane on La Costa and traffic signals and roundabouts at Vulcan Avenue and Sheridan Avenue intersections were evaluated and will be presented.

If you are unable to attend the meeting and have feedback to provide or if you have any questions prior to the meeting, please contact Amanda Bariteau at (760) 943-2211 or traffic@encinitasca.gov.

The Community Meeting will be held on:
