El Portal
UNDERCROSSING

CONSTRUCTION NOTICE

MARCH 2021

Upcoming Weekend and Overnight Work for the El Portal Undercrossing

Saturday, March 13, to Monday, March 15

Beginning midnight, Saturday, March 13, and continuing through 5 a.m., Monday, March 15, SANDAG crews will work uninterrupted to install rail bridge foundations.

Saturday, March 20, to Monday, March 22

Beginning midnight, Saturday, March 20, and continuing through 5 a.m., Monday, March 22, SANDAG crews will work uninterrupted to install the rail bridge for the undercrossing.

Both weekends of work will occur during an Absolute Work Window when all rail service is suspended for improvements along the rail line.

What to Expect

- Construction will begin at **midnight on Saturday, March 13, and continue through Monday, March 15, at 5 a.m.** SANDAG crews will install rail bridge foundations by drilling holes, placing support columns in the holes, and filling the holes with concrete
- Construction will begin at **midnight on Saturday, March 20, and continue through Monday, March 22, at 5 a.m.** SANDAG crews will install a rail bridge by setting a precast bridge structure on foundations
- Residents may notice the presence of work crews, heavy construction equipment, noise, and Occupational Safety and Health Administration (OSHA) required vehicle

back-up alarms

This work is expected to generate noise. Crews will minimize impacts to the maximum extent possible. Please note, construction schedules are subject to change.
